

# *Celebrate* *our future physicians*

Enjoy an evening of wine, beer and food tastings, accompanied by live music, to fund scholarships for the Florida State University College of Medicine.

Tuesday, February 7 • 8 - 10pm

Whole Foods Market • 1817 Thomasville Rd.

Tickets can be purchased for \$40 through  
[wholefoodstally.eventbrite.com](http://wholefoodstally.eventbrite.com)

It is the mission of the College of Medicine to produce more primary care physicians. Many of the students most likely to choose primary care don't have the financial resources to get through medical school with reasonable levels of educational debt. The average debt for our graduating students is \$145,000. As a young medical school, our fundraising activities are focused on providing student scholarship support. It's essential to achieving our mission.
