OR HAS MADE A DIFFERENCE IN YOUR LIFE!**

HONOR A D♥CTOR

NATIONAL DOCTORS' DAY – MARCH 30

March 30 is National Doctors' Day, a day to recognize physicians, their service, and their contributions to society and communities. This year, celebrate National Doctors' Day by choosing to make an honorary donation to the Capital Medical Society Scholarship Fund supporting future medical leaders like Samantha Mahon.

Here is an excerpt from a note we received from scholarship recipient, Samantha Mahon.

"I am so honored and appreciative to be selected for the CMS scholarship! Thank you so much for this support. I wouldn't be able to pursue my goals without the help and compassion from those who have come before me." Samantha Mahon, FSU College of Medicine

To ensure your honoree receives their recognition letter before National Doctors' Day, please make your gift by Monday, March 23.
