

Lunchtime Virtual Seminar
Wednesday, September 21, 2022
12:30PM to 1:30PM

A Seminar Series offered by the Capital Medical Society

For physician office staff (clinical and non-clinical), practice administrators,
office managers and business office managers.
CMS member offices only!

Joe Paulus and Melissa Propp will discuss a variety of challenges faced by physician practices in the release of information process, to include:

- Establishing internal protocols to ensure HIPAA compliant release of medical records.
- Adjusting to changing federal rules for providing Patients with access to their records.
- Keeping up with state and federal pricing requirements for medical record release.
- Utilizing technology to speed up turnaround time and enhance patient satisfaction.
- Save precious resources in the Disability and FMLA forms completion process.
- Streamline workflows related to managing incoming faxes and sending notes to referring physicians.
- Avoid CMS penalties by establishing a winning MIPS quality reporting program.
- Close gaps in care and generate revenue through Remote Patient Monitoring for diabetes patients.

There is no charge for this event.

Presenter:

Joe Paulus, VP-Provider Solutions & Melissa Propp, VP-Operations
Sharecare, Inc.
