AMA PLANS ANOTHER ROUND OF E/M CODING CHANGE IN 2023

A Seminar Series offered by the Capital Medical Society

For physician office staff (clinical and non-clinical), practice administrators,
office managers and business office managers.

CMS member offices only!

Will you be ready? The AMA released their CPT Editorial Summary on March 5th. It contains a number of proposed E/M changes to several categories/service types that will have a major impact on many different provider types. The new coding changes are scheduled to be implemented January 1, 2023. Come get up to speed!

There is no charge for this event.

Sheila Erwin, is the founder and Senior Consultant for Medical A/R Revenue Solutions (MARRS), operating in the Tallahassee area since 1998. Sheila is a Certified Physician Coder (CPC) and Certified Practice Manager (CPPM) thru American Academy of Professional Coders (AAPC). She is an active member of AAPC (founder and previous President for the local AAPC chapter) and Active member of Medical Group Managers Association (MGMA). Sheila enjoys reading trade journals and teaching coding/billing.

MARRS relocated from Tallahassee in 2017 to Crawfordville, FL. upon purchasing a 5000sqft business office facility. MARRs staff of 25+ certified and experienced coders, billers and practice managers support physicians in North Florida & South Georgia, by means of a virtual back office. MARRs team of expert's code & bill for a wide variety of out-patient-practice types including Primary Care, Pediatrics, Internal Medicine, Obstetrics & Gynecology, Dermatology, Gastroenterology, Infectious Disease, Ophthalmology, Oncology and host of other specialty and subspecialty outpatient practices. Our client daily volume ranges from #8 to #400 patients a day.

In addition to coding, billing, and revenue cycle management, MARRs provides support service for insurance Credentialing...Provider Enrollment...Insurance Contracting. They pride themselves in being experts in this geographical area, in understanding the many local, regional, and national payer requirements. MARRS is not a "typical" billing service, they strive to be the service each individual practice needs.
