Reviews of Buffalo Creek Vacations

""Awesome experience! The kids loved the animal feeding every chance we got. The hubby loved the memory foam pillows for his best sleep (rooms were nice and dark too). The beautiful scenery was amazing every day to wake up to. The birds chirping, crisp cool weather, and quietness was just what we needed."" - **Lou S.**

""Nestled high in the mountains of North Carolina and in close proximity to everything you need, Tatonka Lodge fit our purpose to a tee. The lodge is beyond beautiful and accommodating for families or large groups. So much fun on the property that a person would be entertained for days without leaving! The vibe from the animals to the mountain air are not to be missed. There was nothing about the space and location that were not perfect. Communication from the hosts was consistently excellent. Great job!" " - **Tammy C.**

""This we the second time we stayed at Buffalo Creek Vacations and we had a great time. We loved seeing all of the animals and the tranquility of the location. The house was clean, comfortable, and well set up. The staff were always helpful. We really loved it!"" - **Scott D.**
